

HOW MUCH WILL A LEVY INCREASE COST ME?

\$17.50

The increase would cost homeowners an additional \$17.50/yr based on \$100,000 value of home

\$32.06

The current fire levy now costs \$32.06 per year per \$100,000 of value of home.

\$49.56

The renewal plus the increase of .50 mills will cost \$49.56 or \$0.14/day per \$100,000 value of home

	TOTAL COST WITH INCREASE BASED ON HOME VALUE	
\$150,000	\$200,000	\$250,000
\$74.34/year	\$99.12/year	\$123.90/year
\$0.20/day	\$0.27/day	\$0.34/day

Current Staffing

4

Firefighters = an engine crew for a structure fire

2

Paramedic/EMTs = a squad crew

During the day we staff 4 Firefighter/EMS members. In the evening we have 2 members at the station and rely on others to respond if needed.

We haven't increased a levy since 2002, but we have added full-time staffing, purchased, and maintained equipment.
